Dear Sir:

In response to the office action of notification date July 16, 2008, whose response is being made before October 16, 2008, kindly amend the claims to read as follows. Applicant believes that no additional fee is due to have this paper entered, and considered, other than the fee for 4 additional independent claims and a resultant total 2 additional claims, but, if any additional extension or fee is required, the Patent Office should consider this a conditional petition and the Patent Office is authorized to charge the proper fee to our Deposit Account No. 50-2916. Applicant thanks the examiner for the courtesies extended during the interview held August 12, 2008, and the present response and amendment is meant to implement the conclusions of our meeting.
